BHARANIDHARAN G

+91 - 7418546490 | gbharanidharan47@gmail.com | LinkedIn | GitHub

OBJECTIVE

Enthusiastic and motivated Electronics and Communication Engineering student with a strong passion for coding and web development. Seeking opportunities to enhance my technical and problem-solving skills while contributing effectively to innovative projects.

SKILLS AND TOOLS

Programming Language: C, Java, HTML, CSS, JavaScript, MSSQL.

Tools: Arduino IDE, Keil µVision, AutoCAD, GitHub, MATLAB.

INTERNSHIP

KRISHTEC | Student Intern **June 2024**

- Gaining hands-on experience in embedded systems development.
- Developed and implemented tasks using the ESP8266 microcontroller on the WorkWi platform.
- Enhanced problem-solving skills through debugging, testing, and optimizing embedded applications.

Full Stack Development Course | Intellipaat (Online)

- Completed Microsoft SQL Server (MSSQL) certification, gaining strong proficiency in database creation, querying, and optimization.
- Built hands-on projects involving frontend and backend integration, improving understanding of full-stack workflows.

PROJECTS

Project 1: Smart Vehicle-to-Vehicle Communication System Using LoRa

A safety-oriented communication system that helps an accident affected vehicle by notifying nearby vehicles. It uses the MPU6050 sensor to detect accidents and LoRa modules for long range communication. When an accident occurs, the system automatically sends a distress signal to nearby vehicles, prompting them to assist especially useful in remote or low-network areas.

Project 2: Post Discharge Patient Tracking And Appointment Rescheduling For Diabetes

Integrating IR sensors and NodeMCU with ThingSpeak cloud for real-time glucose monitoring. Designed responsive hospital and patient web interfaces with query handling, appointment management, and diet recommendations. Enhanced patient follow-up efficiency and improved healthcare accessibility through remote monitoring.

EDUCATION

Sri Ramakrishna Engineering College, B.E ECE **November 2022 – May 2026**

CGPA (7th semester): 7.5

Sri Vidyamandhir Matriculation Higher Secondary School, HSLC **May 2022**

Total Percentage: 89.67

Cut-off Percentage: 91.75

S.R.V Boys Higher Secondary School, SSLC **May 2020**

Percentage: 78.4

ACHIEVEMENTS

Internship (30 Days) - Krish Tec, Coimbatore**. Full Stack Development (6 Months)** - Intellipaat Online course, Bangalore. **Research Paper Presentation** - ICECA 2024, RVS technical campus, Coimbatore. **Project Presentation** - TEXPERIA 2025, SNS college of Technology.
